Hi All-

We did a lot of work digging in to the facts about the companies involved at the site, (b) (5), (b) (7)(A) We did a preliminary PRP search, a contractor did a full PRP search, and we sent out 104e's to the PRPs. After reviewing all of this, I have this very brief summary:

Odessa Union Warehouse Co-op - (b) (5), (b) (7)(A)

Odessa Public Development Authority - (b) (5), (b) (7)(A)

Inland Empire Oilseeds - (b) (5), (b) (7)(A)

Transmessis - (b) (5), (b) (7)(A)

The SOL is coming up quick at the end of March. (b) (5), (b) (7)(A)

Thanks,
Kris
